Mr. WELCH, from the Committee on Rules,  
submitted the following

## R E P O R T

[To accompany H. Res. 1103]

The Committee on Rules, having had under consideration House Resolution 1103, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

### SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2634, the Jubilee Act for Responsible Lending and Expanded Debt Cancellation of 2007, under a structured rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Financial Services. The rule waives all points of order against consideration of the bill except clauses 9 and 10 of rule XXI. The rule provides that the amendment in the nature of a substitute recommended by the Committee on Financial Services now printed in the bill shall be considered as an original bill for the purpose of amendment and shall be considered as read. The rule waives all points of order against the amendment in the nature of a substitute except for clause 10 of rule XXI. This waiver does not affect the point of order available under clause 9 of rule XXI (regarding earmark disclosure).

The rule makes in order only those amendments printed in this report. The amendments made in order may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for a division of the question in the House or in the Committee of the Whole. All

points of order against the amendments except for clauses 9 and 10 of rule XXI are waived. The rule provides one motion to recommit with or without instructions. The rule provides that, notwithstanding the operation of the previous question, the Chair may postpone further consideration of the bill to a time designated by the Speaker.

#### EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the bill (except for clauses 9 and 10 of rule XXI) the Committee is not aware of any points of order. The waiver of all points of order is prophylactic. The waiver of all points of order against the amendment in the nature of a substitute (except clause 10 of rule XXI) includes a waiver of clause 7 of rule XVI, relating to germaneness.
